## CONSIDERING A CAREER IN TENNIS?

The Tennis Industry is one of the most exciting and rewarding career paths, especially if you already have a passion for tennis. As a player or a fan, you know about the positive benefits of this lifetime sport. You know the saying ... "Do what you love and you will never work a day in your life." Well that is how many feel in the industry. Tennis is the fastest growing traditional sport, no other sport compares and we have a unique industry that rallies together to promote the growth of tennis. There are a myriad of opportunities to choose from ... so let's get started ...

### ARE YOU A HIGH SCHOOL OR COLLEGE TENNIS PLAYER?

A great way to break into the industry is to become a tennis teacher or coach. There are tennis certifying organizations and degree programs to give you the tools and preparation necessary to start you on your career path.

### NOT INTERESTED IN TEACHING/COACHING ... BUT WANT A CAREER IN TENNIS?

There are jobs available from management to manufacturing, sales and service to public relations, research and court construction ... choose a field or post your resume on our free job board.

Careers in Tennis is an industry-wide effort to educate the marketplace and potential candidates about tennis career opportunities. The Tennis Industry Association, the not-for-profit trade association for the industry, has developed this initiative in cooperation with the United States Tennis Association, United States Professional Tennis Association, Intercollegiate Tennis Association, Professional Tennis Registry, USTA Tennis on Campus, allied organizations and associations.
